1 RULES

1.1 TITLE 9 – WORLD CHAMPIONSHIPS

Chapter 2 PARTICIPATION IN WORLD CHAMPIONSHIPS

1 General

9.2.001 It is the national federations who select riders to participate in world championships.

9.2.002 A rider against whom an investigation was opened in relation to a fact which may cause a breach of the UCI Anti-Doping Rules, will not be eligible for the world championships or is not authorised to participate to the world championships until the end of the suspension or until his definitive acquittal. In the event of a positive A Sample, this clause applies starting from the notification of the abnormal analysis result to the rider.

Unless otherwise decided by the anti-doping commission, the above paragraph is also applicable in the event of an investigation or a procedure regarding such a fact, opened in pursuance of a law or other regulation.

Specific cases are examined by the anti-doping commission or its president. Their decision is without appeal.

In addition to the disqualification, the licensee and his national federation will be respectively sanctioned by a fine of CHF 2'000 to CHF 10'000.

The present condition for participation, aims to protect the integrity, serenity and reputation of the world championships. Its application does not prejudge the decision whether an anti-doping violation has occurred and shall not give rise to any claim in the events of acquittal.

9.2.003 National federations shall enter with the UCI via its website (see point 4 and point 5).

9.2.004 The enrolment of the federations' riders shall reach the UCI at the latest within the following deadline:

- Monday August 29th 2016, 12:00 CET.

9.2.005 Save in the case of an act of God, a national federation that has enrolled by returning the enrolment form for a world championship and that does not participate shall be liable to a fine of CHF 500 to CHF 2'000.

9.2.008 Unless prevented by an act of God, a rider once announced as taking the start and who fails to present, shall be liable to a fine of CHF 500 to CHF 5'000.

An injury or sickness shall be recognised as an act of God only if the rider is declared incapable of taking the start by the UCI official doctor.

9.2.009 In all individual specialities, the outgoing world champion may take part in addition to the number of starters that the national federation of such Champions may enter under the qualification regulations.

The same principle is applicable for the Olympic Champion on the occasion of the first world championship following Olympic Games or, for the mountain bike, the next two mountain bike world championships.

For the Continental Champion, this facility is limited to the first world championships following the awarding of the title of Continental Champion.

The table with the participation quota per nation is available under the appendix (see on page 18).

1.2 OTHER EXTRACTS

- 1.3.031 Wearing a rigid safety helmet shall be mandatory during competitions and training sessions in the following disciplines: track, mountain bike, cyclo-cross, trials and BMX.
- 4.1.038 The use of radio links or other remote means of communication with riders is forbidden.

-------------------	------------------------------------

3 COMPETITORS SELECTION

- 9.2.030 The world mountain bike championships shall comprise six specialities: the Olympic Cross-country (XCO), the Marathon Cross-country (XCM), the Team Relay (XCR), the Individual Downhill (DHI), the 4-Cross (4X) and the Cross-country Eliminator (XCE).
- 9.2.031 The categories for which the title of world champion will be awarded are as follows:
- | | |
|-----|--|
| DHI | Men Elite (aged 19 and over)
Women Elite (aged 19 and over)
Men Juniors (aged 17 and 18)
Women Juniors (aged 17 and 18) |
| 4X | Men (aged 17 and over)
Women (aged 17 and over) |
- 9.2.034 For the Men Elite, Women Elite, Men Under 23 and Men Juniors XCO events and the Men Elite and Men Juniors DHI events, the maximum number of riders (apart from reserves) for each team is determined on the basis of the classification by nation of the previous year's world championships, as per the table below:

NATIONS RANKED	MAXIMUM NUMBER OF RIDERS (EXCLUDING SUBSTITUTES)
1 to 10 and the host nation	7
11 to 20	6
21 to 30	5
31 or after	4
Unranked nations	3

For the Women Under 23 and Women Juniors XCO events, the Women Elite and Women Juniors DHI events, Men's and Women's XCE events and Men's and Women's 4X events, the maximum number is 7 riders per nation.

Each federation shall be permitted to enter 2 reserves in each category.

9.2.036 The ranking by nations for the world championships is calculated by adding the points scored by the 3 best placed riders of each nation. The system for awarding points is based on the total number of riders starting in each category, with a maximum of 300. If 100 riders start, the winner will score 100 points while the 100th placed rider would score 1. Should some starters not be given a finishing position, the last rider to be classified shall score the points for his or her position without taking account of the unclassified riders. Example: if 100 riders start and 80 riders are classified, the last of them will score 21 points.

The table with the participation quota per nation is available under the appendix.

9 PROGRAM

Program

Opening Ceremony

The 2016 UCI MTB World Championships – Downhill Four Cross will start with the opening ceremony on Wednesday September 7th from 20:00 in Commezzadura. This ceremony is open to everyone and **we encourage all national federations being present.**

It's important that each country is represented with his athletes and his official staff in their team clothing. Each team will be presented. Further information on the opening ceremony will be given later on.

10 RACE CLOTHING

Riders of the same national team must wear identical racing shorts during the same event, except for advertising space included in a lateral band 9 cm wide, which may differ from one rider to another. This means that national federations must also provide their riders with national racing shorts.

The team managers must therefore present the national jersey and shorts to the commissaires panel at the riders confirmation.

1.3.056 National federations shall submit to the commissaires' panel of events as specified in art. 1.3.059, a sample of their national team clothing for validation. The design, color, place and size of the advertising spaces of the validated equipment must be identical for all athletes participating to the applicable events.

We encourage you to present to the UCI your national apparels before sending them for final production.

1.3.057 The following advertising shall be authorised:

- front of the jersey: 2 rectangular zones of 64 cm² maximum;
- area comprising shoulders and sleeves: strip of maximum 5 cm high;
- on the sides of the jersey: a 9 cm wide strip;

- sides of the shorts: a 9 cm wide strip;
- the manufacturer's label (25 cm²) may appear once only on the jersey and once on each leg of the shorts.

Advertising matter on jersey and shorts may vary from one rider to another.

The design of the jersey and shorts may vary from one category of rider to another.

Advertising on protective leggings worn for downhill mountain bike, trials and BMX events is not subject to the advertising restrictions on shorts.

Additionally, the rider's name may appear on the back of the jersey.

The above measures also apply to other items of clothing worn during competition (rain jackets, etc.).

DHI/4X Race Clothing

- 4.3.011 All lycra-elastane based tight-fitting clothing is not permitted
- 4.3.012 A full-face helmet must be worn **properly** both when racing and when training on the course. **The helmet must be fitted with a visor. Open-face helmets may not be worn.**
- 4.3.013 The UCI strongly recommends that riders wear the following protection:
 - back, elbow, knee and shoulder protectors made of rigid materials;
 - **protection for the nape of the neck and the cervical vertebrae;**
 - padding on shins and thighs;
 - **broad full-length trousers made from rip-resistant material incorporating protection for the knees and calves, or broad-cut shorts made from ripresistant material plus knee and calf protectors with a rigid surface;**
 - long sleeved shirt;
 - full finger gloves.

👉 On DHI/4X races in Italy, riders must wear the following minimum protection:

- full-face helmet;
- back, elbow, knee and shoulder protectors made of rigid materials;
- full finger gloves;
- long sleeved shirt

11 OFFICIAL CEREMONIES

The following points apply to the official ceremonies:

- 9.1.044 Within 10 minutes following the end of each race (unless otherwise provided and duly recorded in an official communiqué), the world champion, the second and the third placed riders shall be ready for the official ceremony that shall be conducted under the responsibility of the President of the Commissaires' Panel.
- 9.1.046 **Riders shall appear in racing attire, wearing their national jerseys but bare-headed and without headband or glasses, until they leave the official ceremony enclosure.**
- 9.1.050 A world champion may not wear the jersey identifying his title and bearing the regulation advertisement of his main sponsor (s) until, at earliest, the day following that on which he received it.

Any infringement of the provisions of the above articles (9.1.044 to 9.1.050) shall be punished by a minimum fine of CHF 2'000 to CHF 10'000. A higher fine may be imposed depending on the advantage derived from the offence.
