Change of DHI Podium schedule

Following a request from Red Bull who would like to televise both the DHI Elite podium presentations live, we will move the DHI Junior podiums earlier and hold them both (WJ & MJ) immediately after the finish of the Men Junior race.

With this change it is important that the Women Elite are ready for their podium presentation immediately after the finish of the Men Elite flower ceremony.

Thanks for your cooperation to ensure a nice smooth on-time presentation on live broadcast for the last event of the season.

President of the Commissaires' Panel : PRONOVOST Nathalie (CAN)
Technical Delegate : GARCIA VIDAL Jorge (ESP)
